Save to Win!

What is Save to Win: It's a special certificate account at Carolina Federal Credit Union that gives you all the benefits of savings – plus the chance to win big! Each \$25 deposit into this share certificate earns you an entry into the monthly and quarterly drawings. The more you save, the more chances you earn – up to 10 drawing entries per month. Not only will you build your savings and earn interest/dividends, you can win multiple prizes throughout the year.

How do I open an account: Simply request a 12 Month Save to Win share certificate and make an opening deposit of \$25. This initial deposit is your first step to saving, and your first entry into the monthly and quarterly prize drawings. To participate you must be at least 18 years old.

What is a share certificate: A share certificate is a fixed-rate, fixed-term account issued by Carolina Federal Credit Union. You will earn a specified dividend rate if the certificate is held for the full term; in the case of Save to Win, the term is 12 months, with 1 penalty-free withdrawal.

What's the Dividend: The dividend rate is 1.20% APY.

How Can I Earn Chances to Win: Every \$25 deposited into your account, up to \$250 per month, will earn you more entries in the monthly and quarterly drawings.
