Spring Into Lower Car Loan Rates!

Carolina Federal Credit Union is celebrating Spring, with our Annual Spring Fling!

- Rates as low as 1.99% APR* on New Vehicles
- Rates as low as 2.49% APR* on Used Vehicles
- 100% financing with no down payment
- Optional credit life and disability insurance
- No set-up fee or pre-payment penalties
- Financing up to 84 Months
- Optional GAP and warranty coverage

Visit our website at www.carolinafcu.org and complete a quick, on-line application to get pre-approved! You can also apply over the telephone 800-378-1955 or stop in and see us! Ask for a loan officer that can show you how easy it is to get that vehicle you have been dreaming about! Join the number of members who have found their vehicle and financed it through Carolina Federal Credit Union, where we treat you like family... because you are!

Does your vehicle have GAP (Guaranteed Asset Protection)?

Did you know if your vehicle is stolen, accidentally damaged beyond repair or otherwise declared as a total loss – you are liable to pay the difference or the “GAP” between your insurers’ settlement and your loan balance? Avoid having that “GAP” come out of your pocket! Talk to your loan officer to learn how CFCU can offer you “GAP” at a lower cost than a dealership. Also, our coverage will provide you with \$1,000 toward the down payment of your next vehicle if you finance through Carolina Federal Credit Union.

*APR = Annual Percentage Rate. Rates and Terms are based on an evaluation of credit history. Proceeds of \$3,000 or more are required to receive promotional rates on existing loans. This promotion will run from April 1st – June 30th.

Save to Win!

Open a "Save to Win" savings account with a minimum deposit of \$25.00 and you will be entered into a national program that gives you a chance to win prizes monthly and quarterly! For every \$25.00 you deposit, you will get an entry!
